## INDUSTRY CONSULTATION MEETING FOR DEVELOPMENT OF NAVIC, GPS AND GAGAN CHIPSET FOR COMMERCIAL, STRATEGIC & CRITICAL INFRASTRUCTURE SECTOR APPLICATIONS

The Indian Regional Navigation Satellite System (IRNSS), with an operational name of NavIC (Navigation with Indian Constellation), is a completely indigenous solution developed by ISRO which enables navigation in the Indian Ocean region using a combination of Geostationary and Geosynchronous satellites.

NavIC is an independent and regional satellite navigation system of India. Government of India is promoting NavIC as an indigenous positioning technology with an inbuilt messaging system. Ministry of Electronics & Information Technology (MeitY), Government of India is trying to support companies and facilitate entry of NavIC in the well established market of tracking and navigation.

In this respect, MeitY issued a Request for Proposal to Design, Manufacture, Supply and Maintain Integrated NavIC and GPS Receivers on 7<sup>th</sup> September, 2018. Under this proposal, 6 Lakhs chips contract were awarded. Development of Integrated NavIC and GPS receivers by the successful bidders is progressing as per schedule.

**MeitY intends to issue a Request for Proposal to Design, Manufacture, Supply and Maintain Integrated NavIC and GPS Receivers for 10 Lakh chips for 2<sup>nd</sup> phase RFP.**

**Draft Technical Specifications for the 2<sup>nd</sup> Phase RFP and proposed major changes have been highlighted in Annexure 1 to 3 for your perusal and comments in the prescribed format.**

In this respect, MeitY is organizing an industry consultation meeting to gauge and understand the preparedness / concerns of industry and to work out the likely timelines for 2<sup>nd</sup> Phase of RFP. CDAC, an R&D organization of the Ministry of Electronics and Information Technology (MeitY) has been assigned the task of co-ordination and execution of this initiative. A meeting has been scheduled on 29.07.2020 from 14:30 - 16:30 hrs under the Chairmanship of the Group Coordinator, R&D in Electronics Group, MeitY through Video Conference.

Those interested to participate in the meeting, may share their details in the attached format along with a list of their queries / concerns / views on the said initiative latest by 17:00 hrs on 25.07.2020 to [kumarbhaskar@cdac.in](mailto:kumarbhaskar@cdac.in) to confirm their participation.

No registration will be permitted after this deadline. Confirmed participants will be provided the VC meeting link.
