

Workshop on CLOUD SECURITY

Date: 25th November, 2016

Venue: C-DAC Knowledge Park, Bengaluru

Workshop Overview

Security in Cloud computing, has assumed utmost importance in determining the proliferation of this new business model of computing. While the privacy and information security risks have been addressed and are well-known, the paradigm may bring other long-term risks that are neither widely recognized nor addressed. Owing to the fine-grained hardware resource multiplexing that forms the base of any Cloud computing stack, a series of attacks that are not intuitive surface in the realm of doing business with Cloud Computing.

One day workshop on cloud security is being organised by Center for development of Advanced computing (C-DAC) on 25th November 2016.

Objective of this workshop is to bring awareness on potential security threats with respect to various layers of cloud stack and some of the possible mitigation there of.

Topics Covered

- Cloud Architecture and service models
- Security Challenges in cloud with respect to
 - Hypervisor and Virtualization
 - Middleware
- Tools and Technologies for cloud security

Prerequisites

The Workshop is for participants who understands/works in cloud computing and its service models .

Who can attend?

- Application developers and Testers
- Research Scholars /Academicians
- Security Enthusiasts
- System Administrators
- Decision makers in IT
- Support Engineers

Registration Details:

- Registration is open from 20th October, 2016
- Registration will be based on the first come first serve basis.
- Register your seat earliest as the seats are limited*

Registration Fee

₹ 1000

Registration fee can be submitted through **DD in favour of "C-DAC Bangalore", payable at Bangalore** along with completely filled online registration form

OR

Through **RTGS/NEFT** details are as follow

Bank details for NEFT	
Account Name	C-DAC, BANGALORE
Name of the Bank	STATE BANK OF MYSORE
Branch / Address of Bank	NGEF Branch
Account No:	54005316791
Account type:	SAVING
IFSC of Bank:	SBMY0040223
MICR code of Bank:	560006053

DD should reach by 20th November, 2016 to the following address:

Bijoy MB

Coordinator - Cloud Security Workshop

C-DAC Knowledge Park, No.1, Old Madras Road, Byappanahalli, Bengaluru - 560038, Karnataka, India
