design thinking workshop

Register @ <https://goo.gl/forms/9tNvPjEV0Xqgn8jC2>

Contact Person : Ms. Geetanjali S geethas@cdac.in

Design Thinking is used by organizations across world to innovate and bring in a fresh approach to Problem Solving with emphasis on Human-Centered Design and empathy driven solutions. While IDEO and Stanford University's D School pioneered in design thinking approaches, now it is embraced by many organizations. This workshop will cover:

- Introduction to Design Thinking Process,
- Human-centred-Design and User Personas, Empathy
- Idea Generation and Scenario Mapping
- Prototyping the Design
